

Monday 9th February 2015

We are looking for help to complete the 2015 GM Winter Wildlife Watch - Can you tell us what you see in your garden or local park?

Choose a week that suits you (or a few days) in February and record what you see. At the end of the week complete the form, recording the maximum numbers of each species seen at any one time and send it back to survey@gmwildlife.org.uk .

Download the recording form from:

<https://app.box.com/s/ft0jdqx26lcjmsvneuxyxufl182x90pp>

If you need any help recognising garden birds - attached is a copy of our beginners spotter sheet. You can also get help from the RSPB Bird Identifier at:

<http://www.rspb.org.uk/discoverandenjoynature/discoverandlearn/birdidentifier/>

If you need help with anything else, make a description, try and take a picture and let us know and we will see if we can help you out.
